## Smart Forest Joensuu tour

September 5-9, 2023  
in Joensuu, Eastern Finland

**Welcome to the Forest capital of Europe!**

**September 5-6** Show-how tour to explore Smart Forestry solutions in Joensuu region  
Visits to Riveria Forest Machinery training center, including visits to forest and forestry operations. Also, study tours to leading companies and research & education organizations in the forest bioeconomy. The program can be modified based on the needs.

**September 7** International Smart Forest Symposium at Joensuu Science Park  
Explore solutions for global forest bioeconomy challenges.

**September 8-9** Silva Forest Exhibition in Joensuu  
The event will offer an excellent opportunity to get a comprehensive view of the Finnish forest industry, companies, services, the latest products, training, research, and development. We are expecting several international delegations and 25 000 visitors.
